SCHEDULE

10:00 AM / Welcome

10:15 AM-10:55 AM / Plenary by Takeda | Joint Health

A Joint Effort: Teaming Up for Joint Protection

It takes a team (patient, caregiver, clinician) to stay on top of joint health. Learn how to maintain healthy joints, help prevent joint damage, and treat, if necessary.

11:00 AM - 11:40 AM / Breakout Sessions

1: Takeda | The Whole Tooth: Understanding the Importance of Oral Health

Yes, most people know they should brush their teeth and floss. But there's a lot more to good oral health, and it's especially important for people with bleeding disorders. Find out what you've been missing that may help you avoid bleeds.

2: Sanofi | Raising Resilience

Learn how to acknowledge strengths, embrace individuality, establish supporting partnerships, and more.

3: HFA | Gestión del dolor, en español/Pain Management, in Spanish

Esta sesión ayuda a los participantes a entender el dolor y su tratamiento, a descubrir terapias alternativas para afrontar el dolor y a discutir soluciones y consejos sobre cómo hablar con su proveedor sobre el dolor. | This session helps participants understand pain and pain management, discover alternative therapies to cope with pain, and discusses solutions and tips on how to talk to your provider about pain.

12:15 PM-12:40 PM / Lunch Break

12:45 PM-1:25 PM / Breakout Sessions

4: Sanofi Genzyme | A Hemophilia A Branded Presentation

You use your joints for what's important to you. Get a perspective on the importance of joints and hear about the compelling data on bleeds and joint bleeds from a hemophilia A treatment.

5: Genentech | Challenge Accepted: Episode 7, Pivot

In this episode, professional hockey coach David Quinn offers advice on the challenges that young people face when changing up their game plan due to a bleeding disorder. You will have an opportunity to connect with other families as we discuss the unique challenges of living with hemophilia.

6: HFA | Infusión a domicilio: no hay lugar como el hogar, en español/Home Infusion: There's No Place Like Home, in Spanish

Capacita a los padres y a los pacientes para que tomen el control del trastorno hemorrágico, comprendiendo los aspectos básicos de la infusión en el hogar. / Empowers parents and patients to take control of bleeding disorder by understanding the basics of home infusion.

1:30 PM-2:00 PM / Prizes and Closing Remarks
